ORO BELLO BLANC DE BLANCS

WINEMAKER

Alexandre Remy

WINE REGION

California

STORY

Atlas is a new generation farming company with over 40 years of combined expertise farming and developing vineyards around the world. Atlas respects and honors traditional farming practices but also actively seeks and implements innovative ideas and concepts.

VINEYARD

Oro Bello wine is crafted with care from high-quality fruit that has come from "hidden gem" California AVA vineyards, including Clarksburg AVA.

VINIFICATION

The wine is made using the Champagne Press Cycle of whole cluster grapes, followed by a cold fermentation and a low Dosage of 7.2 g/L RS. Alexandre adds a touch of Muscat to the blend to provide an impression of sweetness without a high residual sugar (RS).

TASTING NOTES

Effervescent with elegant fruit aromas that range from pineapple to kiwi to Meyer lemon.

FOOD PAIRING

Anything that rhymes with picnic- Hummus and crudites, charcuterie boards for the park, roast vegetable sandwich or light cheeses.
