

Planet Wine is thrilled to be teaming up with Lehmann Glassware's. This striking collections has been created in partnership with three men: Gerard BASSET, Best Sommelier of the world 2010, Master of Wine, Master Sommelier... Philippe JAMESSE, head sommelier at Chateau Les Crayeres in Reims (Champagne). And Gérard LEHMANN, Verrerie de la Marne CEO. This exciting collaboration is highlighting the 'Perfect' Wine Glass! Benefiting from their long experience of observing and tasting wines, they had designed elegant lines with sleek and refined curves.
